

**Position:** Intern- Web Developer

**Starting Time:** As soon as possible

**Duration:** 1-3 months

**Hours:** Flexible hours, ideally 15-20 hours/week

**Location:** Berlin, Germany. Offices in Berlin Startup Incubator (Rohrdamm 88, 13629 Berlin)

**Company:** Grüneo; [www.gruneo.com](http://www.gruneo.com)

### **About Grüneo**

Grüneo is the DIY-indoor gardening solution made for urbanites to sow, grow and harvest 100% organic veggies and herbs directly at home.

Grüneo's mission is to bring urban gardening to everyone's homes to re-empower gardening as a joyful activity and a conscious way of eating, bringing back real taste to their plates and experience nature straight at their windowsill.

Grüneo is an early-stage startup that aims to connect an offline mindfulness activity such as gardening with the advantages of the digital world: a customizable experience through our website and online assistance with our plant coach.

### **Your Responsibilities**

We are now currently working on a website that will be our communication and sales channel. For this purpose, we need your web development skills to help us create a beautiful and useful website, with appropriate features and design.

- This includes developing our Wordpress website: designing a user-friendly interface for our online visitors
- Creating an online platform to connect with our customers (via Facebook messenger).
- You will be involved in every stage of the web development process (i.e. research of best solution, planning, development, testing, and integration)
- You will have opportunities for implementing self ideas and be creative in the process
- You will convert sketch-based script ideas into a corporate website

### **What you bring**

- Has a passionate approach to web design
- You are in the last year of your Bachelor's, or somewhere in your Master's program
- Already gained some practical experience in web development with Wordpress
- Wants to work closely with the founder and is willing to learn and get involved in the startup ecosystem
- English written and verbal skills are required, and ideally German skills
