

## **Intern Business Analysis & Product Management (m/f/d) @ Wavy GmbH**

The Wavy GmbH is a modern, young digital service provider in the yacht charter industry located in startup city Berlin. It's products such as the booking system WavySys are market leading in technological aspects. Our team of Sales Managers, Account Managers, Developers and Social Media Managers serves international clients, charterers, travel agencies and partners to their company goals and needs. As a growing company, we give you the chance to shape the business of tomorrow for our clients.

### **Product development support:**

- Product analysis and testing - you have the chance of working on UX, UI, valuation of business opportunities and building mockups for our products
- Coordination and planning of product development processes, data structure and documentation in constant exchange with colleagues regarding changes and updates
- Support of our product team department with our CPO and our developer team in daily business
- Preparation of reports, analyses & presentations

### **Your profile:**

- You are enrolled in university
- You are fluent in English, German is a plus

- You are comfortable with approaching people via phone
- You work in a structured and independent manner, are a team player and are characterized by a high willingness to learn and perform
- You are familiar with the common Office programs
- You have first experience in using Figma and Adobe XD

**We offer:**

- A varied and challenging job with plenty of room for initiative, independence and responsibility
- Working closely with the management team, from whom you can learn a lot
- Much personal responsibility and development opportunities from the very first day and active design of our products and processes
- A collegial, passionate and highly qualified team that makes pragmatic and quick decisions - and all this in an international working environment
- Regular team events and a great working atmosphere
- Salary : 400 euros/month
